

## Michael Ehlmaier Holding GmbH acquires 49 per cent stake in EHL Immobilien GmbH from CPI Europe AG

**Vienna, 07 January 2026** – Michael Ehlmaier Holding GmbH, owned by EHL Managing Director Michael Ehlmaier, has acquired CPI Europe AG's minority stake in EHL Immobilien GmbH, thereby increasing its shareholding from 51 per cent to 100 per cent. CPI Europe AG acquired a 49 per cent stake in EHL Immobilien GmbH in 2011. Due to a change in corporate strategy, CPI Europe has decided to sell its stake.

EHL Immobilien Group has established itself as one of Austria's leading real estate service provider. The company is, among others, the market leader in the brokerage of institutional real estate investments, investment apartments and rental apartments, as well as in the fields of real estate valuation and office leasing.

### About EHL Immobilien

EHL Immobilien is one of Austria's leading real estate service providers, specialising in commercial and residential properties and investment. Its services range from real estate brokerage, property valuation, asset and portfolio management to market research and investment consulting. Its exclusive partnership with global real estate service provider BNP Paribas Real Estate gives the EHL Group access to a global network and market expertise in 23 countries.

EHL Immobilien was founded in 1991 and is now a major player in Austria in all key market segments, particularly the letting of offices, retail and logistics properties (approx. 71,500 m<sup>2</sup> in 2024) through its subsidiary EHL Gewerbeimmobilien GmbH, and residential property brokerage (approx. 1,710 residential units let/sold/invested in 2024) through its subsidiary EHL Wohnen GmbH. In addition, the subsidiary EHL Investment Consulting GmbH is the market leader in Austria with a brokered transaction volume of approx. EUR 660 million. Furthermore, EHL Immobilien Bewertung GmbH is the number one in the field of property valuation.
